## **WHAT IS THE PROBLEM?**

- 1.) The Port of Tahuya has created a Public Access Plan which appears to adversely impact our natural environment and threaten our quality of life by increasing traffic, pollution, crime and loss of privacy etc... On top of all this, property taxpayers get to pay for it all.
  - 2.) It appears that the Port created this plan without the appearance of fairness (most residents are only now finding out about this plan.)
- 

## **WHAT IS THE SOLUTION?**

- 1.) Contact the Port of Tahuya Commissioners / Secretary Cindy Olsen (360) 275-4573 to obtain a copy of the Port of Tahuya Public Access Plan. Read and Understand the plan to see how it will affect our environments community and your pocketbook.
- 2.) Attend and contribute your views at each Port meeting held the third Wednesday of each month at 7:30 at the Tahuya Fire Hall (14880 Northshore Rd.) Next Port of Tahuya meeting is August 20, 2003.
- 3.) Vote !!! Use your vote during elections to elect the candidate who best represents your interests. To get more information please contact, Jim Christen at (360) ~~275-7100~~

**While attending the Annual Tahuya Salmon Bake 1:00 - 5:00 p.m. Sunday August 17th please stop by our booth to get more information.**
